**Believing
and
Achieving
Together**

Tuesday 3rd September 2018

Dear Parents and Carers,

A warm welcome back to a new school year. It doesn't feel like twelve months since I wrote my first letter to you, what a year it was!

We are delighted to welcome new pupils to Parish, not only those starting school in Reception class, but also those who have joined us in other year groups. We hope that you will be very happy here. I am also pleased to inform you that we have a new, experienced teacher joining us at the end of September who will be working Wednesdays, Thursdays and Fridays in Jet Class. I will be able to inform you in more detail, once all the safeguarding checks are completed.

Please remember that our website has an up to date calendar and all letters and news can be accessed through there. We will continue to develop the website over the year and welcome any feedback you feel useful. We also have a school app, which links to the website, providing you with notifications of upcoming events and alerts. If you have not yet downloaded it, please go to your app store and search for school jotter. You can then enter the school name and will be linked directly to us! We will shortly be sending you information regarding how to log on to a secure area with individual accounts.

It is lovely to be back at school. I have been to every class this morning and had lunch with the children. They seem to have had a great break and are full of enthusiasm for the new school year.

Finally, please remember our door is always open. If you have any questions or, would like to know more about your child, please come and speak with us.

Thank you for your continued support,
With best wishes.

L Peberdy.
