MY REPLY FROM RENAISSANCE LEARNING

It was 2:30-ish on Monday the 19th November and we were all doing our work as usual when a packet was found with my name on – I had completely forgotten about the letter I sent to the accelerated reader team around a month ago – and I immediately opened it, as everyone does, and to my surprise a bunch of pens and bookmarks fell out! It turned that this was a genuine letter back from the team. I was as surprised as everyone else who was crowding me! It turned out that they were very thankful and, as a gift, had sent me 3 pens, 10 bookmarks and a £10 book voucher! I am very thankful to Alex Halcoussis for taking the time to reply to me and sending me all these things.

The Food Bank

Christmas is a time of fun yet some people do not find it so. In cases where some can't get anything like food, water, or cash the Skipton food bank is here to help them. The Skipton food bank is located in Skipton Baptist church but sends resources all over craven! Led by Phil Sage the food bank accepts donations of many kinds and could always use everything.

Please donate something if you can!

BATTLES OVER by Gemma Cooper

On 16th November Topaz class (Year 6) visited the Holy Trinity Church to see the 100 years since the end of WW1 remembrance exhibition. In the church, it was very calm and peaceful, and everybody felt calm and thoughtful. We found it an emotive experience finding out about people who fought in the war from Skipton.
