With a tech-filled Christmas on the horizon, NOS have teamed up with teachers from 'Musicalalternative' and released a jolly online safety jingle for parents to help keep their children safe when using new digital devices. The jingle can be viewed at

Blue Plaque unveiling

Despite the weather, there was a great turnout to watch BBC political correspondent, Chris Mason, unveil the first blue plaque for W R Mitchell MBE.

The plaque, made in Whitby, is built to last and made of cast iron with hand-painted lettering. It's home now, and for a long time to come, is Skipton Parish Church C of E (VC) Primary School.

Mr Mitchell's son and daughter, David and Janet, were with family, friends, colleagues and a number of Society members to see the unveiling whilst inside the school's pupils prepared for the special assembly that followed.

Christmas Lunch was enjoyed by pupils and staff last week. Here are some highlights!

Children attended a Carol Service at Holy Trinity Church

Two of our children Esme and Noah have been raising money for Candlelighters charity in Leeds; <https://www.candlelighters.org.uk/>. They draw pictures and sold them at the mum's workraising £20. Esme then went on to take orders for knitted childrens hats with her Great Granny. They took 23 orders in 3 days!
