If you're struggling to pay for food and other essentials, there are local schemes and organisations in North Yorkshire which may be able to help or point you in the right direction. You'll find information about emergency financial support, managing debt, benefit entitlement, energy bills and staying connected all in one place at www.northyorks.gov.uk/costofliving

North Yorkshire Council's cost of living web page also has information about pension credit, schemes to help families and local community-based support including Warm Welcome spaces as well as advice on staying safe and well.

Around Parish this week

This week those Y5/6 who remained in school paid a visit to Skipton Fire Station and got to climb the tower and take part in other activities

Many thanks to our very own Mr Langdale and his colleague Lee for giving up their time for us.

They also had a really fun team building session—guiding each other through an obstacle course blindfolded.

We will be sharing lots of photographs from the UKS2 residential to Ullswater next week once we've downloaded them all. Everyone has had an amazing time and a huge thank you goes out to the staff who have left their families and loved ones to supervise the visit.

This week in RE KS1 have been learning about Christian prayer. As well as writing a prayer in their books, the Year 1s made a prayer label that they can keep with them.

Dalesbred have been learning some Latin dance moves to go with Latin songs in their music unit this week.

Oxford class would like to thank Mrs Milner who came in and showed them how to do lino printing. LSK2 have been learning how to print in art this half term and they were amazed with her talent!
