Wednesday	Street Dance/Drama	All Years	Mrs Butler
Thursday	Dodgeball	All years	Mr Bilney
Friday	Nature/Eco Club	All Years	Mrs Ashworth

Public notice

Have your say about future improvements to Aireville Park in Skipton (BD23 1UD)

Aireville Park has previously had some new facilities including the play area, skate park and pump track (thanks to the former Friends of Aireville Park) but the multi-use games area is currently in a very poor condition. North Yorkshire Council is looking to develop a new plan to further improve this much-loved local green space.

This public consultation will gather opinions from residents and park users helping the council to understand what improvements are needed. The consultation report will be used to inform the final proposals.

Funding of £100,000 from Commuted Sums has been allocated for future improvements to the park. This is money paid to North Yorkshire Council by property developers when providing residential properties within the council area.

We would appreciate your views.

**Please complete our online survey
by Tuesday 30 April 2024.**

Around Parish this week

This week, Year 6 attended the annual Crucial Crew event. This is a day that is organised annually, for all Year 6 pupils at schools in the area, by the local emergency services and other organisations, such as North Yorkshire Council, NHS and the Yorkshire Dales National Park.

The children took part in activities and sessions covering personal safety, behaviour, water safety, first aid, healthy living and safety in the countryside.

While Year 6 were out on their trip, Year 5 pupils made orienteering maps. Today Year 6 used the maps to find Easter eggs hidden in the playground.

Here are some pictures of the work that children in KS1 have done this week. They have been challenging themselves to design, plan and build houses for the Three Little Pigs. Mr Wolf won't be getting inside these houses.

This week children in Suffolk class have been making boats and testing them in the water tray for seaworthiness.
