NOTICES

Please can we ask that any outstanding bills for **Dinner money** are paid by the end of term. For **Early Risers & Parish Plus** if payments can be made by the end of next week (13.07.18) it would be much appreciated and will allow for bookings to continue as usual in the new September term.

Reminder that all year 2 children moving into year 3 will no longer be entitled to free school meals and will be billed accordingly via Parentmail/pmx.

For further information on NYCC school meals and to view the new term menu when available, please visit <https://www.northyorks.gov.uk/school-meals>

Vision Day Reviews

By Maysoon – I enjoyed Vision day, there were 11 different groups. In the groups there were receptions to year 6's. I was in group four, first we went to Diamond class we learnt about Reflective – success comes from failure. First, we looked at a PowerPoint about famous people that failed in life but learnt from their mistakes. The next activity was in Jade we learnt that everyone can make progress. My favourite activity was in Diamond because it was challenging, we had to balance spaghetti on a table with tape. It taught us never to give up.

∞

By Smith – On Vision day, we did nine activities and I enjoyed all of them. We did growth mind set, we played snakes and ladders and we used glitter. My favourite one was the glitter one, we cut out a cardboard medal and we wrote our memories on one side and p.v.a glued the other side. On the glue side we put loads of glitter, even more than we have used in our life. Whilst we was using glitter, Mrs Franklin and Mrs Chatburn was dancing (and other kids who had finished). When we had done the floor had so much glitter on you could hardly see the carpet.

SWIM

New For The Summer Holidays

Learn To Swim Crash Course

If your child's water confidence needs a boost and you would like to give them a head start with learning to swim, book them onto our Learn To Swim Crash Course during the school holidays.
